AGENDA

Coordination Meeting of Higher Education Institutions on Higher Education and Science in the Kyrgyz Republic

Date: 16 September 2025

Venue: Bishkek, 191 J. Abdrakhmanov Street, Hyatt Regency Hotel, Conference Hall

Purpose of the Event

To coordinate actions and harmonize priorities among leading universities, research organizations, and the Ministry of Science, Higher Education and Innovation of the Kyrgyz Republic for the effective implementation of state policy in the field of higher education and science, as well as to discuss the results of strategic studies and initiatives shaping the scientific and educational development of the country until 2030.

Objectives of the Event

1. Present and discuss the Higher Education Development Strategy of the Kyrgyz Republic for 2025–2030, highlighting the key directions of reform.
2. Familiarize the academic community with the results of the study on the development of science in the Kyrgyz Republic and obtain expert feedback.
3. Review the draft KPI system for research institutes aimed at improving the efficiency and transparency of their activities.
4. Discuss new initiatives in the fields of science, higher education, digitalization, innovation, and intellectual property.
5. Facilitate dialogue among university leaders, researchers, and representatives of the Ministry to align approaches and develop joint solutions.
6. Formulate recommendations and proposals for the implementation of national science and education policy in the medium term.
