

Proposed program of Mehmet Karamanoglu in Bishkek, Kyrgyzstan

Agency for quality assurance in the field of education EdNet

Period of visit: September, 13-14, 2016

Venue: Office of EdNet Accreditation Agency

Day 1st	
13.00 – 15.00	Seminar and workshop on “Developing competency based curriculum and assessment strategies to enhance teaching and learning in Higher Education” by Prof Mehmet Karamanoglu [The work will include details of SOBS (Student Observable BehaviourS) developed at Middlesex University, London for programmes in Computer Science, Electronic Engineering, Robotics and Mechatronics]
15.00-15.30	Coffee-break
15.30 – 17.30	Continuation of the seminar and workshop. [The session will include practical examples of converting traditional learning outcomes to SOBS]
Day 2nd	
12.00 – 14.00	Seminar on “The role of competitions in enhancing students’ confidence and learning experience in Higher Education – a UK perspective” by Prof Mehmet Karamanoglu [The seminar will give examples of how UK universities are embedding competitions into academic programmes to engage, motivate and connect students with their disciplines in the early years. The seminar will also give examples of how government agencies and professional bodies are working together to fulfill this aim.]
14.00 – 14.30	Coffee-break
14.30 – 16.30	Continuation of the seminar
16.30 – 17.30	Finalization of the expert’s visit
