Wider Objective

To strengthen the European dimension in qualifications of the tourist sector to enhance employability of graduates **in the field of tourism in Russia and Kyrgyzstan.**

Specific project objectives

- 1) To harmonize qualifications and competences in the tourist sector** in the Programme and Partner Countries on the basis of learning outcomes, occupational standards and sectoral qualification framework (SQF).
- 2) To improve qualification of the teaching staff** of PCIs, involved in developing and implementing new curriculum, based on OS and SQF.

Specific project objectives

-
- 3) **To design a pilot curriculum in tourism** for the 7th qualification level (Masters' degree) based on OS, SQF and learning outcomes
 - 4) **To establish quality control and monitoring procedures** at PCIs and enhance quality, relevance and convergence with EU initiatives
 - 5) **To disseminate project outcomes** and best practices **in higher education sector** of Russia and Kyrgyzstan **and to enhance networking** among HEIs and professional associations across Program and Partner Countries
 - 6) **To ensure effective and efficient project and programme management**
