The screenshot shows the course management system for "PLANNING AND DEVELOPING COURSES IN DISTANCE LEARNING ENVIRONMENTS". The interface includes a navigation bar with "Home", "Courses", "Schedules", "Today", "Assessments", and "Forum". On the left, there's a sidebar for "Activities" and "Administration". The main content area displays "MODULE 1" and a section titled "* DISTANCE LEARNING ENVIRONMENTS". A note at the bottom explains that online learning is increasingly used as a privileged delivery method in distance education, and that it is a pedagogic that using online learning provides major benefits for institutions, it provides flexibility of access to the learning contents allowing learners to eliminate barriers of time and space.
