## PROJECT DESCRIPTION:

### Objectives

According to growing interest of young people in gaining knowledge and skills in the field of Social Anthropology, there is a need for further development of higher education in this area. Unfortunately, there are no Bachelor and Master degree programs related to Social Anthropology in Kyrgyzstan's universities. Only at American University of Central Asia mentioned field is developed. Therefore, there is an urgent need to open a Bachelor and Master degree programs on Social Anthropology, with intensive and advanced foreign language training and anthropological research. Within the framework of the project it is planned to develop and implement a joint Bachelor and Master degree programs in partnership with European universities at International Relations Faculty of Osh State University.

Training of qualified personnel in accordance with present needs and the needs of long term in the field of social anthropology.

### Activities

- Development of joint educational programs, adapted to different countries participating in the project.
- Develop a curricula and work programs on adaptation in accordance with the real needs of employers: the Government of the Kyrgyz Republic, other executive bodies, local governments, entrepreneurs, local communities, nongovernmental organizations, citizens of the Kyrgyz Republic in the field of social anthropology.
- Professional development of faculty staff.
- Flexibility will be offered in combining cultural and political studies with advanced modules
- Introduction of modern teaching technologies - distant, electronic.
- Adaptation the new interactive methods of teaching, critical thinking
- Introduction of the educational process of developed training plans and work programs for bachelors and masters.
- Introduction of a new educational program on Social Anthropology.

### Results

- Developed curricula on Social Anthropology
- Trained faculty staff
- Development of the unified educational Bachelor and Master degree programs in "Social Anthropology" in cooperation with partner universities
