PROJECT DESCRIPTION:

Objectives

Development of a curriculum on intercultural communication in the context of global integration

Activities

- Review the sample curriculum and other relevant documentation of the partner university.
- Teaching the project team all the necessary skills to develop an appropriate training program.
- Step-by-step development of a curriculum on intercultural communication in the context of global integration, taking into account the local market in Kyrgyzstan and Central Asia.
- Regular communication with the partner university to ensure the quality of the content of the program.
- Feedback with potential stakeholders for possible correction of program content.

Results

- Alumni with advanced communicative skills sensitive to intercultural issues
- Competitive alumni with increased possibility to be employed
- Capacity building of local young professionals towards global arena
